

BORAL Wetstop
Build something great™

Wetstop

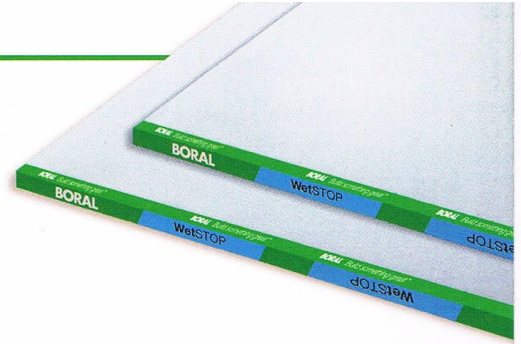

The Latest Technology, Moisture Resistant

BORAL Wetstop is the latest advancement in water resistant plasterboard lining. It is developed as a result of extensive research by Boral Plasterboard. The product when installed correctly will satisfy any building regulations. BORAL Wetstop is also available for Fire Rating Wet Areas.

BORAL Wetstop

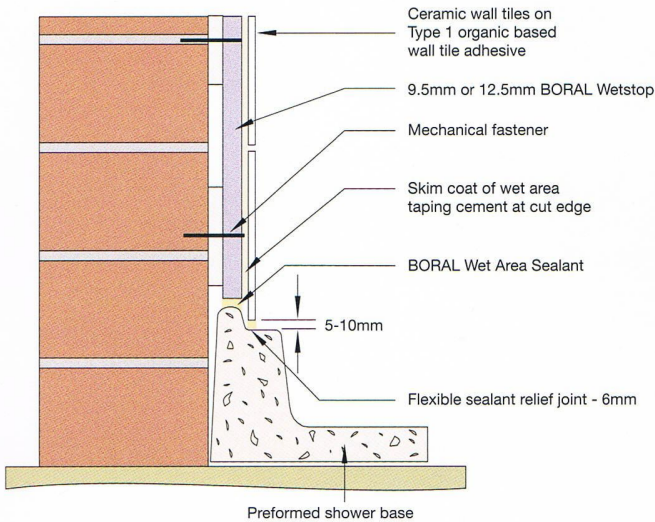

BORAL Wetstop is specially developed as a lining for walls and ceilings in wet area rooms such as in bathrooms, kitchen and also in shower cubicles. BORAL Wetstop is applied to the wall framing and acts as a moisture resistant substrate for Ceramic Tiles surfaces in the area mentioned. The product is recognised by its blue paper liner.
